Need Mulch? Need Help?

Scouts BSA Troop 32 “Mulch-It” Fundraiser

Let your local Scouts bring the mulch to you and save you time—and effort!

Scouting helps the youth of our community build character, foster citizenship, and develop physical, mental, and emotional fitness.

Proceeds help fund the many adventures West Dundee’s Troop 32 Scouts participate in throughout their Scouting careers. Troop 32 has Eagle Scouts studying at top universities, training to be officers in our armed forces, learning how to become first responders, and others who are engaged in many other endeavors!

Please support tomorrow’s leaders by hiring them to purchase, pick up, and deliver bags of mulch (2 cubic feet each) to your driveway in the local Dundee, Carpentersville, & Sleepy Hollow area on **Saturday, April 18, 2026.**

Optional installation available at an additional cost. Call for pricing and availability.

Mulch Color	Minimum qty 5 bags	No. of Extra Bags	Total Bags	Installation	Total(s)
Brown (\$6/bag)					
Red \$6/bag)					
Black (\$7/bag)					
Total					

Return form or Call by Monday, April 13, 2026
